Instrucciones

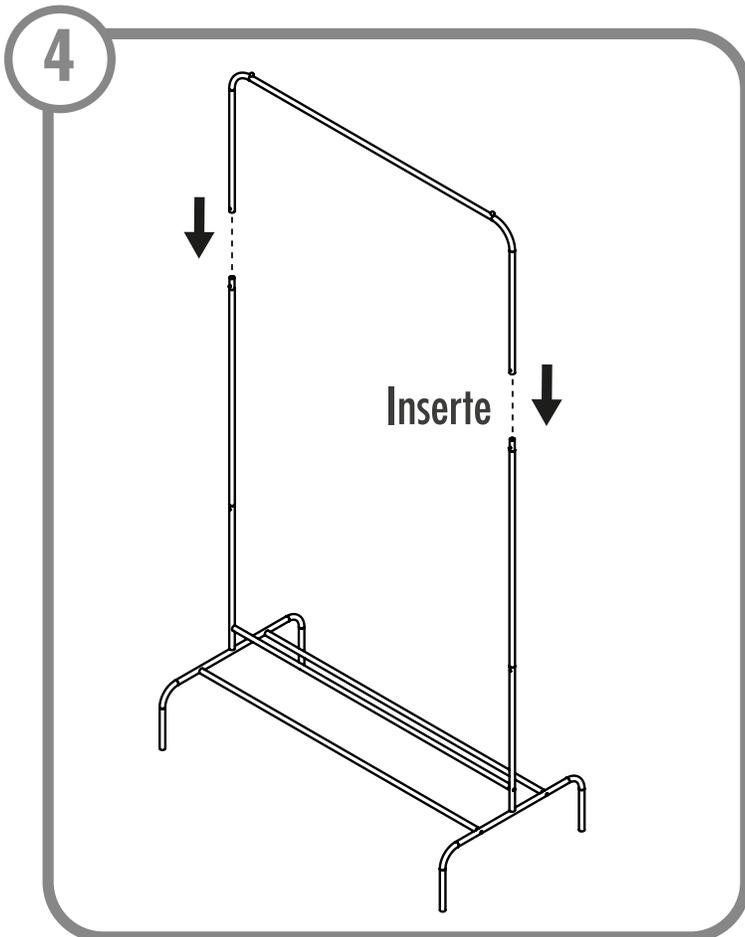

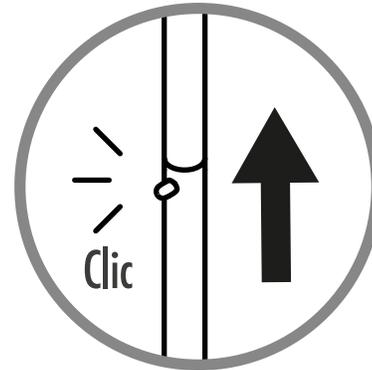

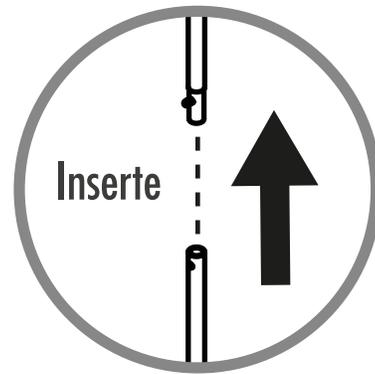

Con la ayuda de un destornillador, fije las 2 Bases laterales con 2 Travesaños, 4 Arandelas y 4 Tornillos, como se indica en el gráfico.

Inserte un Travesaño entre las Bases laterales, y fíjelo con Arandelas y Tornillos.

Inserte los Laterales con pin en los tubos de las Bases laterales hasta hacer clic.

Para finalizar inserte el Tope con pin en los Laterales hasta hacer clic.
